LAWRENCE H. CONRAD

DEDICATION

*Whoever is fundamentally a teacher takes things—
including himself—seriously only as they affect his
students.*

—FRIEDRICH NIETZSCHE

This approach to education, an all too rare occurrence, is the characteristic of Mr. Conrad that is most beloved by his students. In gratitude to one who has given of himself so that his students may gain a fundamental perspective to guide them through their college years, we, the Class of 1960, dedicate our yearbook to Professor Lawrence H. Conrad.

PREFACE

The human mind is constantly being changed and molded by the experiences it encounters, no matter how inconsequential they may seem. Our future acts and decisions are determined in some part by what we have done in the past, the past which includes an infinite variety of occurrences which play their part in the development of the total person. The time spent in college is one of particular growth for each of us, and yet, beneath the purely personal aspects of our college careers, there lies a bond of common experience. John Donne aptly expresses this thought in "No man is an island, entire of itself. Every man is a piece of the continent, a part of the main."

In examining the past, individual remembrances will differ, but none will be less meaningful nor less valuable. Many relationships and incidents may strike us as trivial unless we place them in the proper perspective and realize their worth in the shaping of the "whole." An analogy might be drawn by examining a wool plaid. A first glance at the material leaves one with the image of the plaid as a whole, but closer inspection reveals thousands of threads of various shapes, thicknesses and colors, all of which contribute to the composition of the finished material.

The 1960 LA CAMPANA endeavors to present a sampling of the many moods and experiences which weave together to form the intricate pattern of our undergraduate years at Montclair.

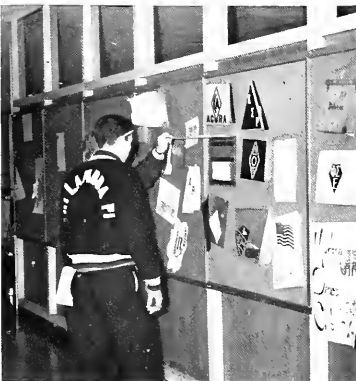

I am a part of all that I have met.

Alfred, Lord Tennyson

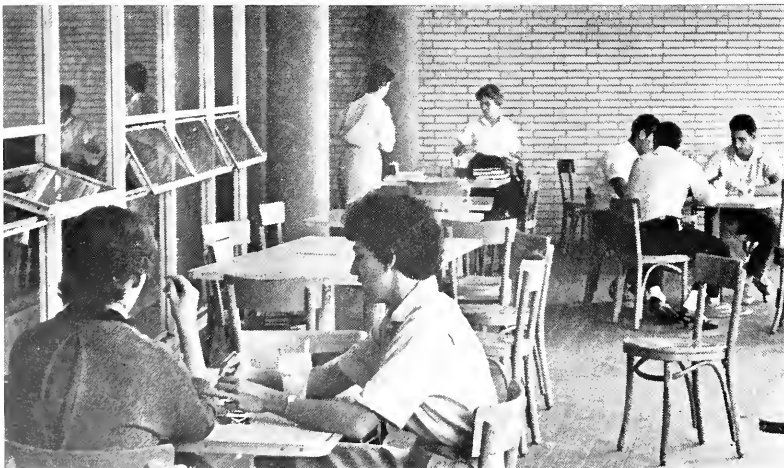

I have liked to be with you, to see you, to speak with you.

Henry Wadsworth Longfellow

*There is a comfort in
the strength of love...*

William Wordsworth

*...memories vague of half forgotten things,
not true or false, but sweet to think upon.*

Morris

I was never less alone than when by myself

Edward Gibbon

...and miles to go before I sleep.

Robert Frost

The dawn is overcast, the morning lowers.

Joseph Addison

So shalt thou prolong thy youth.

William Cowper

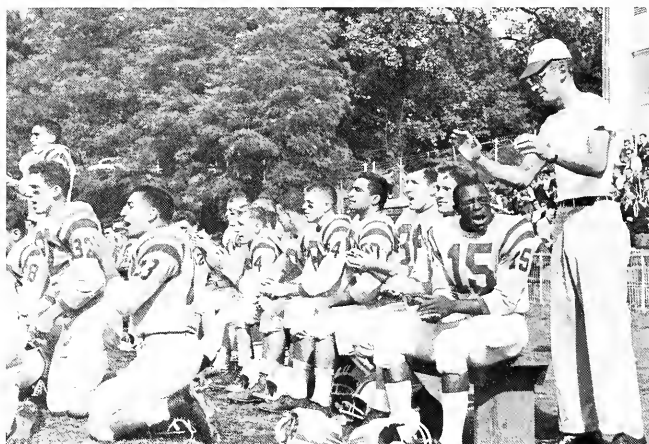

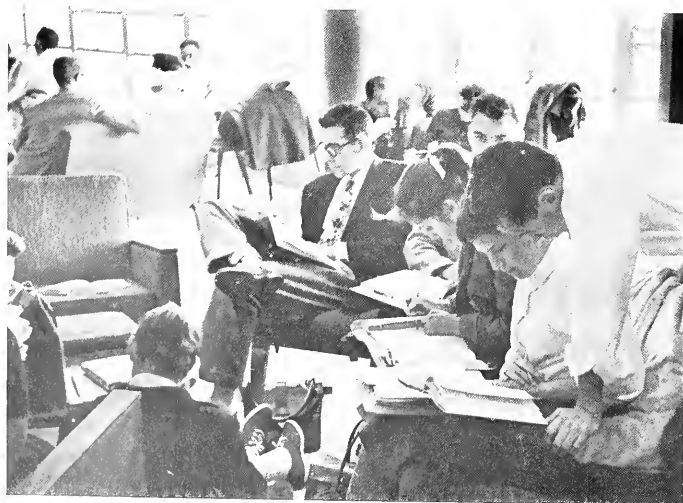

*We need the comrade heart
That understands...*

Thomas Curtis Clark

To see a world in a grain of sand.
William Blake

...the quiet mood is richer than a crown.

Robert Greene

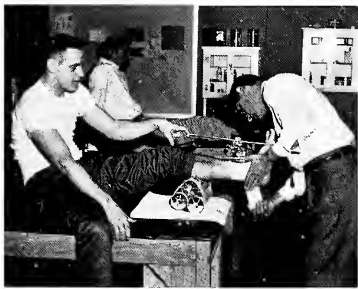

A heart to resolve, a head to contrive,

and a hand to execute.

Edward Gibbon

A word spoken in due season, how good it is.

Proverbs

*...the innocent sleep,
Sleep that knits up the ravell'd sleeve of care...*

William Shakespeare

I am an acme of things accomplished, and I an encloser of things to be.

Walt Whitman

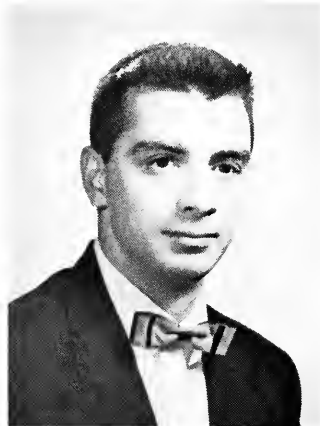

*Four years . . . four "quick" years . . .
four drops of time.*

MR. ROBERT BECKWITH, *Class Adviser*

CLASS

"Four years . . . four 'quick' years . . . four drops of time." How fleeting seems the memory of each year as we try to capture it in its entirety, but how valuable each memory is.

In the not too distant past we entered Montclair to become lowly freshmen, fully equipped with false bravado to show the sophs that they really weren't so superior. From our first week on campus it was opporent that the Class of '60 was to be most unusual. At the Sophomore Peace Dance, the queen chosen was not even a student at MSC, let alone a member of our class. Carrying on in our "unusual" manner, we became the first class ever to have its own newspaper, the *Dink*. Even such an achievement as this could not earn us a parking space on campus and we learned to live with the "solution" to the parking problem, freshman cars restricted to off-campus areas.

This blow could not dampen our spirit and we worked diligently on a glorious papier-mache and chicken wire replica of a dink for Homecoming. Unfortunately, our luck had not changed, for the dink fell victim to a torrential downpour the night before Homecoming and slowly disappeared into the mud. Our freshman year ended on a much happier note when the dance we held in the Gym proved a success and we became the first class to make money on a dance.

Sophomore year inevitably followed the lovely summer months and we promptly initiated novel and ingenious tortures for the frightened frosh who tiptoed around campus avoiding the black-bagged

HISTORY

Gestapo, or Hazing Committee. At the Peace Dance, the peace-pipe we constructed looked suspiciously like an apple-basket with streamers. But our luck had changed for the better. Not only were we allowed to park on campus, but our Homecoming float, "Here's Mud in Your Eye, Alumni," took second place in the competition.

Junior year brought with it new responsibilities and more changes. The revisions in the curriculum forced the integration courses to disintegrate and reappear as education courses. The arrival of Panzer showed promise of remedying the shortage of manpower on campus and our horizons were further widened by our experiences during Junior Week.

The senior year which had seemed so distant arrived and brought with it methods courses, appearances by the Kingston Trio and Joni James, a dance at Rock Spring Country Club, and two hour exams. As seniors, we were on the threshold of a new life and we were faced with trying to balance our anticipation with the realization that everything we did at Montclair was final. Even the Senior Week activities which we had looked forward to during practice teaching could not erase the feeling of nostalgia at leaving our college. Commencement put an end to our college careers, but in looking back, we realize that Montclair has given us the values and perspectives which will enable us to fulfill our potential, as individuals and teachers, in the future. Let us never forget the ties that bind us all to our Alma Mater and to the professors, administrators and students who prepared us for our profession.

A teacher who can arouse a feeling for one single good action, for one single good poem, accomplishes more than he who fills our memory with rows and rows of natural objects, classified with name and form.

The junior year was the turning point for the Class of 1961 in many ways. Breaking with tradition, the class sponsored its first successful dance, published the first issue of the class paper, and was the only class without a Homecoming float. In January, the seniors departed and left the juniors in command, confident that in continuing to disregard tradition they will continue to be successful.

In September, a new "jacket gang" appeared on campus, wearing the serial number 1962. The "Blazer Class" is considered (by the Class of 1962) to be one of the most promising groups ever to enter MSC. They promised and provided, in the fall, a College Hop and a series of record hops, which were well attended by Montclair's many football enthusiasts after the home games.

In the fall of 1959, almost 700 students converged upon MSC to become the Class of 1963. The majority of these fresh, bright-eyed idealists were girls who were eagerly awaiting Leap Year and the Freshman Turnabout Dance. The minority of boys were kept busy dodging the girls.

Following the tradition of the sophomores, the frosh also adopted class blazers and are now anxiously awaiting sophomore year and being on the other side of initiation.

WHO'S WHO

Excellence in scholarship and active participation in school activities are the basic criteria used in the annual selection of outstanding students of the senior class to membership in *Who's Who Among Students in American Universities and Colleges*. The twenty-five seniors pictured here were elected in October, 1959 by a committee composed of administrators, faculty members and the SGA Board. They represent a wide variety of major departments and a great diversity of contributions to the college life. Public recognition of their achievements and an employment service are two of the benefits that these seniors receive from *Who's Who*.

Kappa Delta Pi, the National Honor Society in Education, encourages high professional, intellectual, and personal standards.

The monthly meetings are highlighted by faculty speakers with an attempt to present something extra that may be missed in the classroom situation. Mr. William Ballare of the Speech Department enlivened the Christmas Banquet with several humorous readings.

The annual initiation banquet, held at the Robin Hood Inn, featured Dr. Fred Hipp of the New Jersey Education Association. Dr. Hipp spoke on the past and future of education in *The Next Ten Years*.

The traditional "Coffee House," which is a farewell program for seniors, featured a discussion on problems which arose during student teaching.

Created by the students for the students, the Student Government Association touches directly each individual attending Montclair State College.

Establishing student policy, managing the finances of chartered organizations, and regulating extra-curricular activities comprise only a few of the duties of the S.G.A. Co-ordinating

this organization is the Board of Trustees, comprised of the class presidents, class representatives, the president emeritus of the S.G.A., the Dean of the College, and the officers of the S.G.A. The board makes and enforces rules and regulations for the member organizations of the association. It issues charters to new organizations, thereby giving them the right to participate in campus functions and to utilize campus facilities. Funds for student publications, productions, and functions are also apportioned by the Student Government Association.

Participating in the social life at Montclair, the S.G.A. has sponsored a concert by the Kingston Trio, a Christmas semi-formal featuring Joni James, and an annual Carnival, the proceeds of which are donated to a worthy campus fund.

CARNIVAL COMMITTEE

The Carnival co-chairmen are selected by the co-chairmen from the previous year and are approved by the SGA Board. The co-chairmen then proceed to choose their various committee chairmen, who usually come from the sophomore class. All selections are based on leadership, ability to get along with others, and experience in each particular field. The committees put in months of preparation in anticipation of the final day when Carnival spreads itself over the campus and welcomes the crowds. This year's committee was under the leadership of Betsy McCambly and Bill Bauman. The theme of Carnival was "A Novel Affair."

The Thucydian Society discusses questions of historical and current importance. Its discussions are informal and usually controversial. The aim is to exchange opinions and it is felt that the club's existence is justified if just one member gains a new idea from the discussion. Needless to say, the most memorable events are those not infrequent occasions when this aim is achieved.

Players endeavors to offer an artistic outlet for students, both on stage and off stage. Besides "emating," a person may choose to explore the excellent facilities in lighting and sound, or, if using hammer, nails and imagination are more his forte, he may choose the construction or properties crew. Make-up and costumes offer other opportunities, and those who feel they don't fit into any of the above may try business management.

These crews combine their efforts each semester to present high caliber productions, which range from modern light comedies to absorbing period dramas.

The coveted Players Key is awarded members who have worked over two hundred hours on productions in five consecutive semesters.

Games lubricate the body and the mind.

FOOTBALL

Following an opening day defeat at the hands of C. W. Post, State's Indians captured two of their next three contests on last minute efforts. A 12-7 reversal against Cheyney State was sandwiched by exciting battles with the National Aggies and Central Connecticut College. Coach Yagiello's charges edged the Aggies 10-7 on a last minute field goal by Ron Cherkin and squeezed by our Connecticut rivals 14-12 on a pass from George Jeck to Frank Davide with thirty seconds to play. Injuries prevented a better record than the 2-6 we posted.

Senior Ed Topar, a three-letter man for the past three years, led the team in rushing with a respectful 3.7 yards per carry. Jim Maupin, whose career was hampered by an injury sustained in his freshman year, displayed tremendous perseverance by playing a limited amount every season. Jim averaged over forty yards with his kickoffs. John Richardson saw considerable action in his freshman and sophomore years but was forced to retire due to injuries. Tony Bottone displayed unlimited versatility by playing four different positions and playing them well.

SOCCER

If one looks at a season by using the won and lost record as a basis of success, then this past soccer season might be counted as a failure. However, all was not so dismal as one would expect.

Soccer is a comparatively new sport here at MSC, and the team was handicapped by many factors, including a lack of depth and experience. Traveling to the practice area everyday also presented difficulties.

All in all, much experience was gained by the undergraduates who came out for soccer. Coach Rillo is looking forward to a good season in 1960 since there are returning veterans and he is also anticipating a greater turnout for next year's squad, which will be led by co-captains Al Hector and Bob Goodstein.

WRESTLING

This past year saw the beginning of Montclair's return to the wrestling field. Under the direction of Coach Thomas Rillo and an excellent group of men with previous high school experience, the team has developed into what could be one of the biggest athletic assets to Montclair. Spectator support has been wonderful. The team made a very respectable showing against Westchester and looked very strong in its victory over Fairleigh Dickinson. The team may be represented in a number of tournaments by former state champions Bob Mezerek and Charlie Welsch.

The Men's Athletic Commission (MAC) is comprised of four faculty members and two student representatives. The members of the faculty are Mr. Schmidt, co-ordinator of athletics, Mr. Clifford, Mr. Beckwith and Mr. Sheppard. This year's student representatives are publicity directors Fred Belchikoff and Bill Rawson. MAC's chief functions are to approve the different teams' budgets at the beginning of each year and to have sports banquets, at which time awards are presented to the athletes. With the addition of many new athletic teams and clubs, the importance of MAC has grown a great deal.

BASKETBALL

The Montclair basketball team in the 1959-1960 season featured three seniors who had been varsity members for four years. It also included seven juniors and three sophomores, all of whom were veterans of varsity experience. The three seniors, Bill Toole, Nick Petti and Ed Topar, have all been basketball lettermen for the previous three years, and have played first team throughout their college careers. The co-captains for the 1959-1960 season were Bill Toole, and junior George Davitt.

Nick Petti established a scoring record in the second game of the regular season against Paterson Seton Hall. In this game, Nick became the eighth player in the history

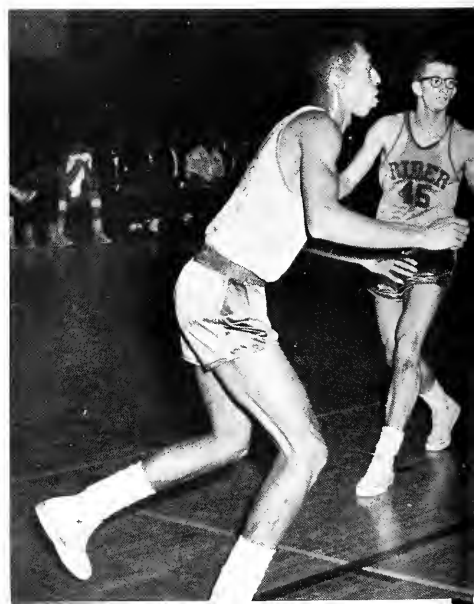

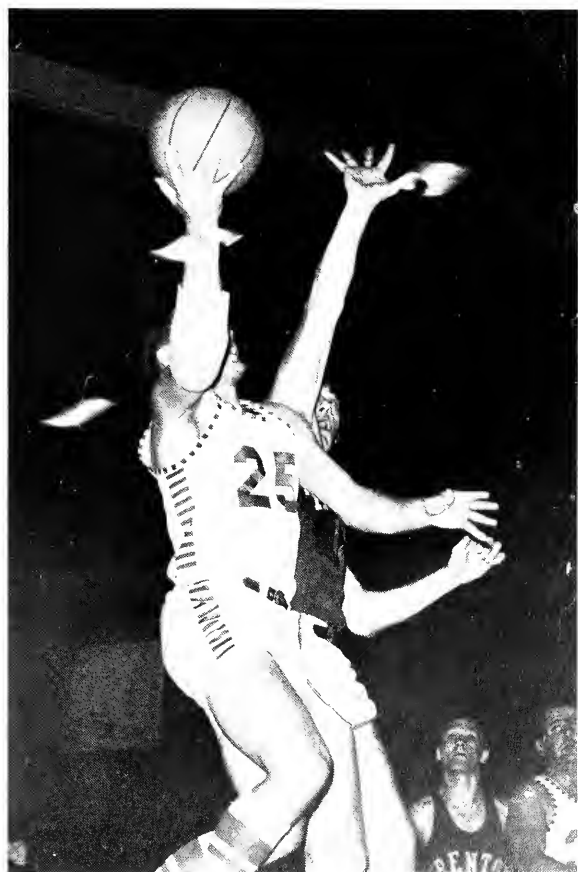

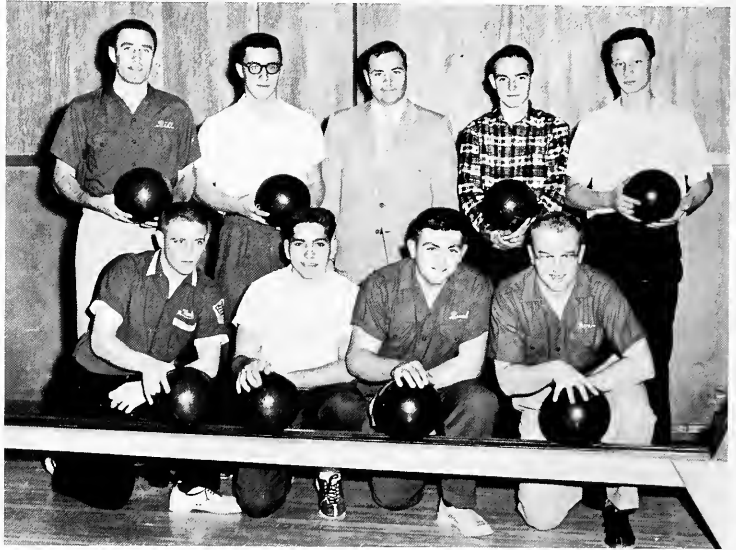

of Montclair State College to score over 1,000 points in his college career. Nick's 1000 point not only provided a highlight of the evening, but was instrumental in the eventual winning of the game. This feat is more remarkable considering that Nick is the first player under six feet tall to achieve the distinction of joining the thousand-point club at Montclair.

Montclair's entrance into the newly instituted NAIA Holiday Tournament should provide incentive for future basketball teams. The tournament provides opportunities for the smaller colleges in the area to compete in a manner similar to the programs followed by the large colleges. Although Montclair succumbed to Glassboro State College by a 74-70 score in the opening game, the team showed that it should do well in future tournaments.

Big Red's golden hour finally arrived in a tense battle with Glassboro State on February 27. Sparked by the tremendous playing of sophomore Paul Weinstein, who scored 32 points and brought down 18 rebounds, the Indians out-played and out-maneuvered Glassboro to win the New Jersey State College Conference for the first time in the Conference's three year history. Winning the game, 88-75, put the Indians in the NAIA District 31 Tournament and provided the fans with a spectacular finish to an excellent season.

First row: N. Machannico, G. Weisman, B. Beaver, R. Zink. Second row: B. Duvier, E. Liddle, Dr. Redd, A. Scherer, A. Lewis.

BOWLING

The varsity bowling team of MSC, active for about six years, is entered in the New Jersey Division of the Eastern Intercollegiate Bowling Conference, comprised of ten participating colleges from New Jersey.

In the 1958-59 season, Montclair placed tenth in a twenty-five team competition. This year, with the return of lettermen Barrie Beaver, George Kirn, Bill Duvier and Ron Zink, and newcomers Ed Liddle, Al Leinns and Al Scherer, the team has been keeping the competition stiff.

In addition, the MSC bowling team is entered in the State College Tournament and the Eastern Intercollegiate Individual Match Games Championship.

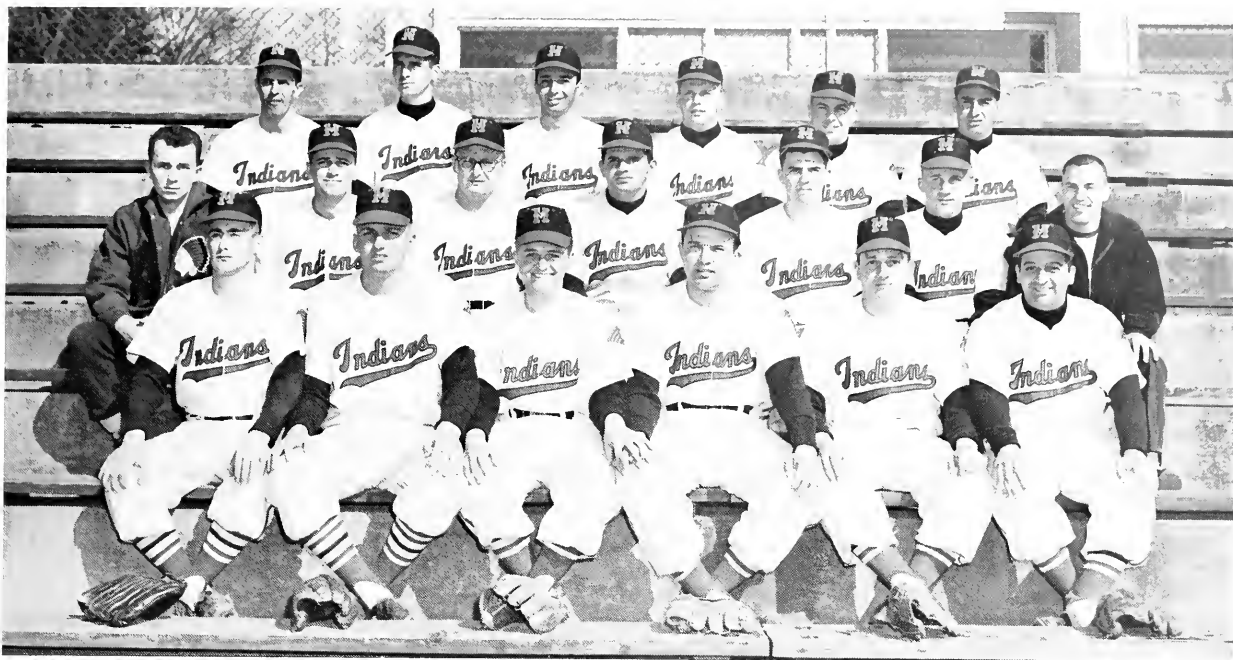

FENCING

The Montclair State Fencing Team, coached by Mr. Geza Gazdag, had a successful and enjoyable year and is looking forward to an even more successful and enjoyable 1960-61 season. Out of the twelve participating teams in the 31 Annual Intercollegiate Women's Fencing Tournament, held at Brooklyn College, Montclair's team placed fourth.

The Fencing Club, presently coached by Miss Julia Carver, assistant professor of physical education, is a friendly, active club, meeting twice a week, and is a fine activity for any woman student desirous of participating in a vigorous individual sport and engaging in intercollegiate activities.

Zap-pula, manager. Third row: Mr. Arendt, coach, J. Bicknell, L. Scesa, J. Golembeski, S. Boeding-haus, Mr. Dioguardi, coach.

BASEBALL

Traveling down south and playing whenever the weather permitted, Coach Bill Dioguardi's baseball nine returned home with an impressive 4-1 record and a hopeful outlook for an excellent season. But luck wasn't with the Indians, as they were hampered by spot-hitting and injuries to key players.

Outstanding all year was the hitting of junior Jack Bicknell, who banged out 31 hits for 71 at bats for a tremendous .436 average. Jack also led in the doubles category with 7 and also in homers with 3, one of these close to a 400-foot blast over the fence in left field.

JOE PORCARO, JACK BICKNELL, MR. DIOGUARDI.

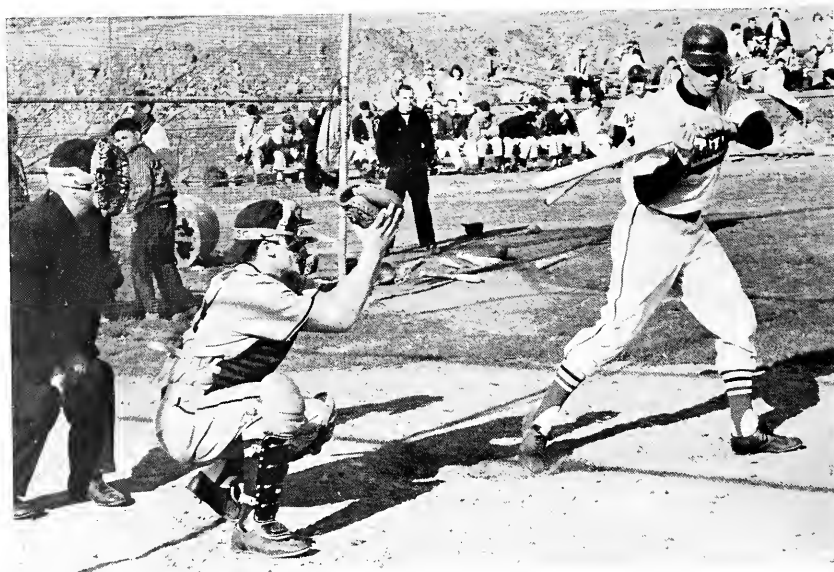

JOHN WARMS

Sophomore Ed Cassavell led the team with 18 RBI's. In the field Frank Pettinato led with 53 assists.

In the area of pitching, Iggy Cresla and Chick Muccia did most of the work. Iggy was the team leader with a 3-1 record and a very good 1.64 ERA. Chick Muccia led pitchers in strike-outs with 50 and most completed games, 3. Iggy's ERA of 1.64 set a season record and it was the only pitching record set.

With nearly all of the boys back again next year, the team should be much stronger.

TRACK AND FIELD

School records fell in droves as the 1959 track and field team compiled a three and three record and became the NAIA District 31 Champions. Montclair's victories included Upsala, East Stroudsburg State and arch-rival Trenton State. Depth was the deciding factor in losses to Westchester, Seton Hall and New Britain T.C. Eleven school records were set, six by individuals and five by Montclair's powerful relay teams.

Robert Balderston paced Montclair in dual meets, setting four individual records. Montclair's one-man track team compiled school records in the javelin (213' 9"), the 120 low and high hurdles (14.8 and 13.4, respectively), and scored the most points in a dual meet, picking up 28 points for the Indians against East Stroudsburg. Bob was also high scorer for the year and undefeated in the javelin.

Wes Rehberg broke the school's 440-yard dash record four times before the season was over, with a final clocking of 48.2 seconds. Wes also came within a tenth of a second of MSC's 100 and 220-yard dash records, netting times of 9.8 and 21.3 in these events and was undefeated in the 220 and 440 in the regular season.

Montclair's outdoor relay teams hit their peak at the Penn Relays where cindermen Bill Hampton, Roger Winston, Jim Weigand and Wes Rehberg came home with three new school relay records and second place medals in the college final of the 440-yard relay.

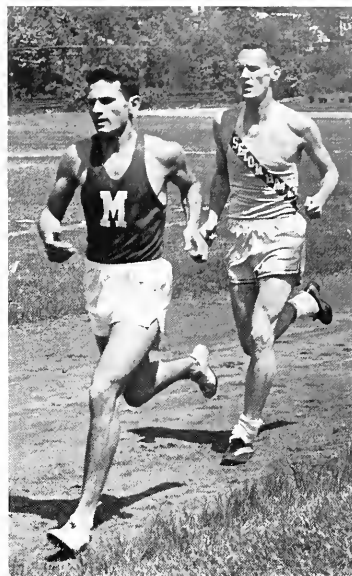

Wes Rehberg and Jim Weigand were sent to participate in the NAIA National Championships and Ron Kulik, the school's mile walk record holder, traveled to Boulder, Colorado to compete in the National AAU Championships. Among the representatives of the 77 colleges and universities present, Rehberg and Weigand placed fourth and eighth respectively in the 440-yard run, and Kulik placed fifth in the three-mile walk.

CROSS COUNTRY

This year's cross country team turned in another fine winning season with a record of seven wins, two losses and one tie. The wins came against Upsala, Paterson, New Paltz, Hunter, Adelphi and City College. The team also became the 1959 NAIA District 31 champions. The losses were against Connecticut Teachers College and Seton Hall, and the tie against Cheyney. Besides taking the NAIA championship, the harriers took second in the Montclair Invitational and fourth in the College Track Conference Championships.

The team was led by its captain, Jim Sokolowski, who this year set the most wins record with 17 straight victories. Individual laurels also go to Vinnie Korfman and Ron Kulik, second and third men, respectively.

Coch Jery Edwards has four seniors leaving this year, Jim Sokolowski, Ron Kulik, Vinnie Korfman and Bob Sadowski. Lettermen returning next year are Dave Fixler, Richard Trenesy, Bob Reichert, Jery Fleisher, Charles McMickle and Bob Meade.

VINNIE KORFMAN

WOMEN'S TRACK

The 1958-1959 track season was outstanding in several points; the membership doubled and the team participated in more meets than ever before and set many new records.

Under the direction of Coach Richard Willing, fall practices soon gave way to winter meets at the 169th Street Armory in New York City. The team then participated in the Evening Star Meet in Washington, D.C. During February and March, the team placed in the women's events at three meets in Madison Square Garden and the State meet at Newark Armory. The indoor season ended with the relay team driving to Buffalo through a snow storm to take first place in an invitational meet at Buffalo University.

The outdoor season opened with two meets in Queens, New York. The team then met Westchester State Teachers College in a dual meet in Pennsylvania. In the final event of the season, Montclair placed first in the college women's meet held on campus.

TENNIS

Last season, Montclair State's tennis team compiled a record of three wins and five losses. Four of the five losses were by the close score of 5-4. The hopes for the 1960 season are very bright as only one man was lost via graduation, Captain Gary Padems. This season, Coach Gazdag will have on hand six returning lettermen, Captain Dave Rice, Lou Campanelli, Jim Dunn, Bernie Suffel, Pete Summers and Dera Sumitra. Bob Leonard, returning after a year's study in Spain, is expected to give the team a great boost.

In singles last year, Montclair was sparked by Dove Rice, Jim Dunn, Lou Campanelli and Dera Sumitra, all winning at least four matches.

Coach Gazdag did a fine job last season in handling the tennis team, and was an inspiration to all the men on the team.

The hopes for this season are high, and with some added practice, the team expects to improve upon last season's record.

GOLF

The past season was a bright year for the linksters, with 1960 appearing even more promising. Pat Taddeo, the 1959 captain, capped the season by winning the NAIA District 31 championship. He was awarded a gold trophy and a trip to Chicago to compete in the National Tournament. Bill Hogan, this year's captain, teamed with Pat to win the team championship. Montclair was represented in the Metropolitan Interscholastic Championship, held at Seawane Country Club in Long Island. The team, paced by Bill Hogan's eighty-three, finished fourth in the division. Bill finished in the top ten percent of the entire field and fourth in the division.

Led by Hogan, Botwinik, Jackson, Pietrowicz, Ogden and D'Alessandro, the team ended the season with a 10-2 record, going undefeated at home for its second successful year. The team is looking forward to a good season with every letterman returning.

First row: J. DeRosa, coach, Pat Taddeo, captain. Second row: J. Pietrowicz, E. Beecham, B. Hogan, C. Ogden, H. Botwinik, V. D'Alessandro, R. Jackson.

With the keynote of every activity they undertake being good organization, the men of Agora try to spread good fellowship and leadership throughout the school. Their semi-monthly meetings are the epitome of intellectual discussions while their post-meeting serenades of the women's dorms have come to be a revered part of Montclair's tradition.

Among the most notable events the Agorians engage in are their annual benefit show, alumni banquet, open houses, picnic with Dalphac, defeating Senate in softball and basketball, awarding the Sandy MacMillan award to some deserving senior and, of course, the operation of the popular "high bell" in Carnival.

A familiar sight at Montclair is the black derby, cane and bow-tie, which along with humility and general student welfare, are symbolic of Agora's pledges.

Dalphac, the oldest chartered dorm-commuter sorority on campus, has always held as its aim the development of the individual sister's capacities (whatever form they may take) and the development of a positive attitude toward her school, her sorority and herself. "Sisterhood" is a very meaningful word to the members and it is evident not only at meetings, but whenever a group gets together.

The wide range of interests and abilities of Dalphac women is shown by the variety of activities they engaged in during the past year. These range from sponsorship of the formal and impressive Third Annual Greek Sing to rollicking pajama parties (restricted to the sisters), a riotous basketball game with Sigma, an unfinished softball game with Pi and a picnic with the "brothers" of Agora.

Other activities included participation in Carnival, where the sisters ran a prize-winning souvenirs booth for the fifth consecutive year, and in Homecoming, when "Chiquita Banana" took third prize. Of course, Carnival would never be the same without the charming but sometimes uncoordinated hula girls. Culminating each strenuous year is the Christmas Alumnae Banquet, where the ever-present watchword of Dalphac, friendship, is most evident among the old and the new members.

Gamma Delta Chi, the newest fraternity on campus, celebrated its first anniversary on December 16, 1959. The fine showing made by the fraternity in Carnival and the inter-fraternity softball league and the exciting pledge period are stepping stones to achieving the goal of advancement through both cultural and recreational fields of endeavor.

Through the combination of increased membership, growing enthusiasm and well organized leadership by Ron Greenberg and Hal Nusbaum, the men of Gamma Delta Chi continue their strides toward success and eagerly look forward to the new year and reaping a harvest of reward from their seeds of effort.

The maroon and white emblem of Kappa Rho Upsilon can be seen proudly displayed on the white blazer and shiny pin of any KRU girl.

KRU, founded in 1948, is a close-knit group of coeds, well known for their many social activities. These campus cutups sponsor KRU'S KRUISE, a serene sojourn up the Hudson.

Another of KRU's activities is its participation in the IFS, a dance held in conjunction with three other organizations on campus. New members are inducted into KRU at a candle-light formal initiation. The strains of the "KRU Song" can be heard drifting over the campus as the women of Kappa Rho Upsilon serenade the dormitories after their meetings.

Kappa Sigma Rho is a commuter sorority which was organized in November, 1958. "Character, Service and Leadership" is the motto of the organization, whose symbol is a triangle, and whose colors are black and white.

The women of Kappa Sigma Rho chart their course toward personal integrity and understanding their neighbors.

Prospective members are introduced at a tea and pledge to become sisters. The sisterhood is looking forward to increasing its part in campus activities.

Lambda Chi Delta participates in many campus activities such as the Greek Sing, the Inter-Fraternity Softball League and Homecoming, when they won second prize in the float competition. Pledging becomes hectic with the appearance of orange and black armbands and pledge books, echoes of shaving sprees in Stone Hall and suffering during scavenger searches. Led into action by President Stu Mulvihill, the organization seeks to cultivate brotherhood under service and society. Lectures, smokers, pledging and campus activities all make fraternity life unforgettable and play an integral part in molding the individuals that are Lambda Chi Delta members.

Lambda Omega Tau, organized in 1958 to create a band of unity through shared interests and mutual activities, attempts to cultivate in its members a knowledge and appreciation of the fine arts, music, literature and the sciences.

In 1958-59 Lambda co-sponsored the "Hayseed Hop," entered a float in the Homecoming parade and had a booth in Carnival. Other events fondly remembered by Lambda girls are the installations in which fourteen new members were added.

Lambda girls participate fully in all sorority activities. With the advice and assistance of Miss Julia Carver, they have developed a well organized and responsible sisterhood.

In keeping with the idea that friendship is a precious thing, Mu Sigma, organized in 1945, became the first dormitory sorority at Montclair. In 1958 the group chose to extend membership to commuter women; membership has been held to a minimum so as to insure closer ties within the sisterhood.

In "Miss America" fashion, the future sisters sport the sorority's green and white pledge banners during the week preceeding initiation. The mysterious culmination to pledge week remains an indelible memory for all. On initiation evening, new sisters engage in the traditional "Signing of the Plaque," and learn of the legend of the sorority's founding.

Mu Sigma's social calendar is highlighted by its annual picnic, holiday parties and submarine sandwich sales. Participation in the Greek Sing, Homecoming and Carnival add to the festivities of the year.

Not only do brothers of Phi Sigma Epsilon sport green jackets, but also green thumbs, as is evidenced by the shrubbery planted in front of Life Hall and the Industrial Arts Building. This was only one of the services rendered the school by the fraternity.

The most memorable event of the year for the brothers occurred one December evening in 1959 at Dalphac's Annual Greek Sing. Competing with several other fraternities and sororities, Phi Sigma Epsilon captured first place with its rendition of three Christmas songs. "Cupid's Capers," a Valentine's Day dance, was Phi Sigma's contribution to MSC's social season. For cultural improvement and enjoyment, the brothers arranged a New York theatre party to see "Sunrise at Campobello."

Men who enjoy working with others and giving of themselves are always considered likely prospects for membership in Phi Sigma Epsilon.

"Sigma Sorie" and "Sigma Bizzare" were the themes of the socials of Sigma Delta Pi this year. Sigma was founded in 1947, its motto, association, leadership and participation.

Combining social and academic interests and establishing lasting friendships between dorm and commuter women are the main purposes of Sigma Delta Pi. Membership is limited to forty girls. After a week of pledging in pink and black outfits, the pledges become sisters at a candlelight initiation ceremony and receive their traditional Sigma beer mug.

Cheering for the Senate-Agora game and participation in Carnival were among Sigma's activities this year. Their booth, "Inside U. S. A.," won second prize for originality at the carnival.

Founded in 1954, Theta Chi Rho is synonymous with sisterhood and sincerity. The women of Theta Chi Rho are dedicated to the purposes of promoting sociability and sincerity among its members, developing professional spirit

and leadership qualities, and participating in school and community functions.

Girls are invited to join following a tea given each semester. During pledge week, the future sisters wear the traditional Theta outfit which consists of a navy blue skirt, suspenders, a tammy, white blouse and gloves, and heels. Following the pledge period there is the memorable candle-light initiation.

Among the sorority's activities are "goodie sales," Homecoming, Carnival and the Greek Sing. Some other highlights of a Theta girl's year are the Annual Dinner Dance, Annual Farewell Senior Banquet and Alumnae Christmas party.

SPECIAL EVENTS

AGORA SHOW

Humor shone through "Agora Culture," a modern minstrel show, presented by the men of Agora. A highlight of the production was a pantomime done by Al Ralston and Buddy Bodino, as two squeaky-voiced sisters. To climax the show there were twelve calendar beauties who enhanced the presentation because of their bizarre resemblance to the female sex.

DORM SHOW

"School Daze," the seventh annual Dorm Show, boasted a new feature in its cast this year—MEN. This original musical, sparked by romance, interwove lively songs, a spritely Can-Can chorus, and a fanciful interpretive dance, "Mr. Sandman."

OPERA WORKSHOP

In celebration of the fiftieth anniversary of Montclair State College, the Opera Workshop presented "Dido and Aeneas" by Henry Purcell. The two title roles of the opera were sung by professional guest artists, Janice Blanton and Benjamin Wilkes.

PRODUCTIONS

The Fall presentation of the Opera Workshop featured "In a Garden" by Meyer Kupferman and Gertrude Stein, and the "Lowland Sea" by Alec Wilder and Arnold Sungaard. Opening night was a thrilling experience for the performers, for they received a standing ovation from Wilder and Sungaard, composers of "Sea."

CAMPUS QUEEN DANCE

In a little grass hut in the little Hawaiian village in Life Hall, 1958 Campus Queen Dottie Siegel placed her crown on the head of her successor, Fran Fallavolita. Her subjects danced under the atmospheric fish net hung by the men of Phi Lambda Pi, and the 1959 queen began her reign over the tiny hilltop kingdom.

LORSTAN STUDIO

FRAN FALLAVOLITA

FOLKLORE FESTIVAL

The music of France, Spain and Germany reverberated throughout the amphitheater and resounded over the campus as the Language majors and minors performed the songs and dances of their respective countries. Authenticity was the keynote in the creation of the dancers' costumes.

The long hours of painstaking preparation were rewarded by the enthusiasm of the high school students who had come from all parts of New Jersey to witness the performance.

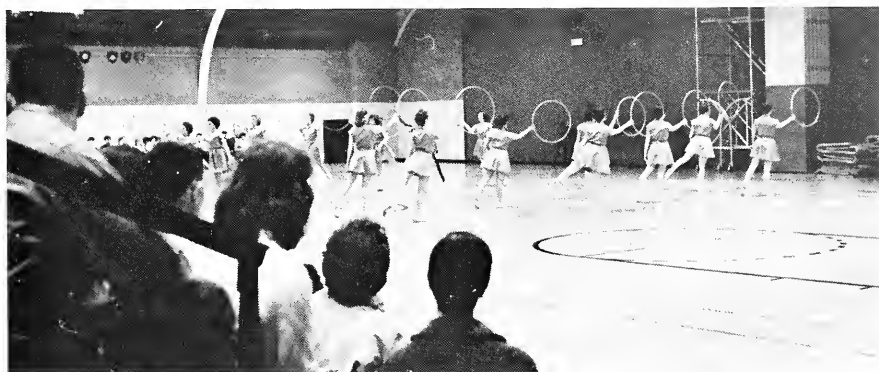

SPRING

Representative of the best in physical education was the Spring Demonstration presented by Panzer School of Physical Education. Featured at this exhibition were various forms of recreational games, social and modern dance, and gymnastics.

DEMONSTRATION

Two highlights of the evening were the performances on the balance beam and the breathtaking gymnastics exhibition by the Panzer students.

The entire evening's program was enthusiastically acclaimed by the MSC student body.

CARNIVAL

Cold weather and rain did not dampen the spirit of the various organizations as they worked arduously to complete their respective carnival booths.

This year's theme, "A Novel Affair," produced some interesting and exciting displays.

Comments ranged from "clever" and "cute" to "magnificent" and "overwhelming."

As Carnival days came to a close, all the participants beamed with pride at the huge success of Carnival and the knowledge of a job well done.

FACULTY SHOW

There's talent in that there faculty—as could readily be seen in the 1959 Faculty Show. Several members of the administration and faculty displayed singing and dancing talents that the student body never suspected they had. The play was written to utilize the abilities of the participants. The highlight of the show was a soft-shoe dance by President Partridge and his charming wife. The show proved to be a success, giving considerable enjoyment to the audience and giving many students a glimpse of their professors in a less formal situation than the classroom.

JAZZ CONCERT

"The Saints Came Marching In" to Montclair State last spring, ably led by Stan Ruben and Kai Winding. These great jazzmen were featured at a jazz concert, one of the highlights of Montclair's musical season. Stan Ruben and his "Tiger Town Five" offered Dixieland at its finest, while the Kai Windig septet captivated the audience with progressive jazz.

ALL-CAMPUS SHOW

Dancing leprechauns and the drinking gentry of a local tavern helped bring to life the spirit of Ireland in the all-college show, "A Bit of the Blarney." "Himself," the king of the leprechauns, and Shamis, his naughty son, were joined by three mortals in a make-believe story of love and laughter.

HOMECOMING

In its yearly salute to the alumni, Montclair's organizations braved a veritable monsoon, with accompanying hurricane winds, to present their lively and colorful floats. Surveying a large field of entries, the judges awarded first prize, for the second year in a row, to the Industrial Arts

Guild for their float, "The Gillette Cavalcade of Sports." Lambda Chi Delta's "Rocket into Space," lamenting our ever-present parking dilemma, copped second prize. "You're the Top Banana, Alumni!", Dalphac's entry, featuring a shaky Chiquita Banana, placed third.

KINGSTON TRIO

Amid the applause of one of the largest audiences ever assembled at Montclair, the Kingston Trio was presented under the auspices of the Student Government Association. The Trio, the most popular recording group in the country, captivated the audience with folk songs, ballads and spoofs on rock and roll hits. Their excellent manner of presenting songs, combined with witty jokes, fulfilled the listeners' expectations for a very entertaining evening.

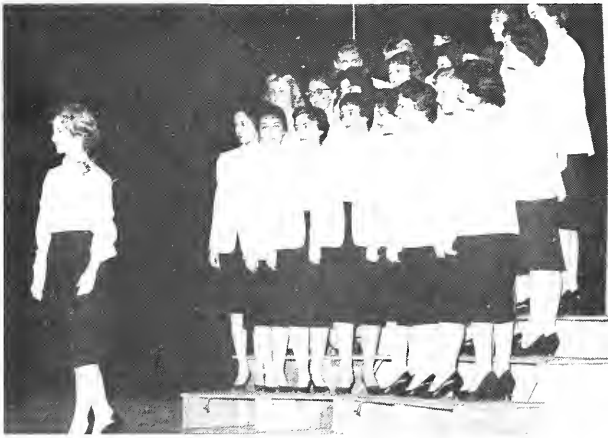

DALPHAC GREEK SING

The Third Annual Greek Sing, sponsored by the women of Dalphac, was held on December 2, 1959. The women of Delta Omicron Pi took the audience on a "Journey into Daydreams," which led them to first place in the competition. The organization which obviously suffered the least from nervousness and restraint was Phi Lambda Pi. Quality performances by the participating fraternities and sororities made this night of song a huge success and sent the audience away humming under their breath.

PLAYERS' PRODUCTIONS

When the curtain rose on the set of Thornton Wilder's, "*The Skin of Our Teeth*," on May 14, 15, 16 and 18, the world was only beginning. A talented Players cast led by Dwight Boud, Claire Fitzgerald and Arlene Keszegi delighted the audiences with the hilarious, allegorical fantasy, the end of which was, of course, only the beginning.

Memorial Auditorium was again the house of drama on November 19, 20, 21 and 23, as Players presented Tennessee Williams' sensitive story of disparate ideologies, "*Summer and Smoke*." A combination of serious drama and comedy, the play was capably handled by a cast including seniors Jackie Bishar and Pat Visocky.

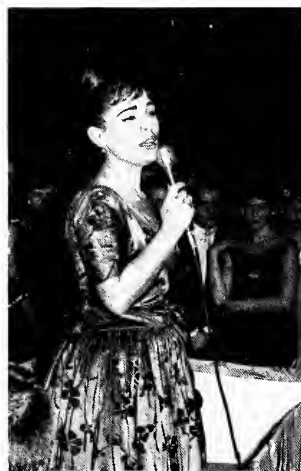

CHRISTMAS BALL

Cinderella would have looked shabby next to the belles attending the 1959 SGA dance, The Christmas Ball. Famed singer Joni James offered an enchanting hour of her best recordings, accompanied by the orchestra of Buddy Williams. Couples danced, whenever there was room, surrounded by a gay holiday atmosphere which prevailed throughout the evening.

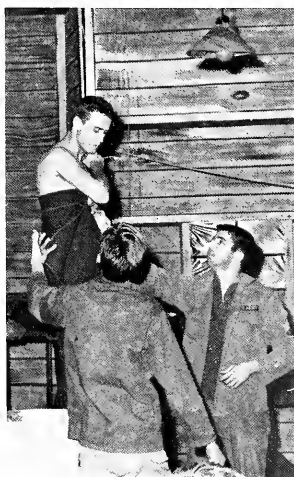

SENATE SHOW

Senate's production of *Stalag 17* portrayed the undaunted humor of GI's under duress. Combined with masterful sets and lighting to create an illusion of reality, the play was a notable success.

Convincing performances were given by the Senators cast as imprisoned soldiers. Some of those Senators must be veterans!

ALMA MATER

Beneath New Jersey skies of blue
In Montclair's mountain town,
There stands our College, tried and true,
And growing in renown.
We love thy campus, love thy halls,
And oft to thee we raise
With loyal lips and loyal hearts
United songs of praise.

All hail, all hail Montclair!
To thee our voices raise,
Alma Mater, dear Montclair,
Our undying hymn of praise.

We love thy colors, dear Montclair,
The scarlet and the white,
May they forever help us dare
To choose and do the right.
And though in after years our fate
May lead us far apart,
Nor time, nor space may separate
The ties that bind the heart.
